Q 1

What Kaguru Project song have you listened to recently?

A>> Lately, I've been listening to "Kanohe no Sebai Jizou". I'll keep it on repeat like, "That smoothly made sound really fits Kanohe who's all slow-uh-heh". Of course, I pause it that last scene with Falone.

Q 2

When you think of summer vacations, what memories come to mind?

A>> Besides memories of doing club activities under the scorching heat... there's none! Every day I'd sleep in front of my room with fans... something was fun. To be honest, the neighborhood baseball team was nice!

Q 3

If you could spend your vacation with one character from Kaguru Project, who would it be and where would you go?

A>> I want to chase after Falone and Haruka to a date spot, and grin at them transfer away together with Kanae while watching what they do. I think I'll be able to get along well with a fellow old man.

Q 4

Your goals for this summer!

A>> Get done! Back to the sun! Not cut my hair! Play! Get to the point where I can sing "Headphone Actor"!
